INSIDE CENTER
TRAY GOES HERE

*I don't wanna stop believing
But my heart and soul are screaming
And searching for a life to release me*

*I'm so empty in this place
Rainbows fade to black and white
Color once my inner light
Fill alone, I feel like I'm losing
And I cannot win this fight*

*I'm so empty in this place
Rainbows fade to black and white
Color once my inner light
Fill alone, I feel like I'm losing
And I cannot win this fight*

*I'm so empty in this place
Rainbows fade to black and white
Color once my inner light
Fill alone, I feel like I'm losing
And I cannot win this fight*

*I'm so empty in this place
Rainbows fade to black and white
Color once my inner light
Fill alone, I feel like I'm losing
And I cannot win this fight*
